

## Co-ed Rooming Request/Consent Form

Co-ed rooming is on request and GradCity must have the permission of any/all travelers in the room. If a traveler is under the age of 18, GradCity must have the permission of the parents/guardians. If a traveler is over the age of 18, he/she may sign the form themselves.

Parents/Guardians: By filling out and signing this form, we give permission for our son/daughter to stay in a co-ed (mixed gender) room. We understand that GradCity is not responsible for any damages or misconduct occurring from this arrangement.

A co-ed rooming request stays in a pending status until GradCity receives the Co-ed Rooming Request Form from all travelers in the room. Once received GradCity will send an email confirmation to all travelers in the room. If GradCity does not receive this form from all travelers, each traveler will be placed in a room with travelers of the same gender and is responsible for any possible room occupancy charges.
